Thai Hospital Products is a Thailand-based private company. It was established in 1994 with office and factory conveniently located in central Bangkok and outskirts of Bangkok respectively.

We are the leading manufacturer of full range of disposable medical products with customer base around the world. At Thai Hospital Products, we work closely with our customers to understand their needs so that we can supply outstanding quality, value and service. Our product range includes Face Masks, Surgical Gowns, Isolation Gowns, Lab Coats, Coveralls, PE Gowns, Aprons, Nurse Caps, Surgeon Caps, Shoe Covers, Boot Covers, Instrument Cover and other medical products according to customer requirement.

We have won several prestigious awards from The Ministry of Public Health, Thai FDA, and multinational customers. These awards are in recognitions of our efforts and dedication in providing the highest quality products and services.

Thai Hospital Products also gives back to the community by donating medical products and funds to local community and charitable organizations, such as Thai Red Cross, Pakkred Children Home, Pakkred Hospital, Suan Santitham Foundation, and AIDS Temple.

VISION

To be the partner of choice for customers by providing high quality disposable medical products and services that enhance the quality of life of those we serve.

MISSION

In a rapid changing environment we are focused on developing mutually beneficial partnerships with all our stakeholders to deliver high quality, cost effective disposable medical products and services through people and operational excellence.
